

Arena 29

Arena 29 is a culture house funded by the city of Gothenburg and run on the initiative of youth between the ages of 16-25. Most promoters, and people working with events held here are of that age and supported by a dedicated staff.

Arena 29, can be classified as a D.I.Y fan driven venue.

Underneath you will find what we have available for you to use at the venue.

We are looking forward to having you visiting our stage!
